

Certificate Programme in Business Analytics (Using Advance Excel)

Business Analytics

MPCON Limited / Institute of Leadership Development (ILD), come up with an exclusive Certification programme in Business Analytics for working professionals who are willing to shift their career into Data Science. Executive Development Programme in Business Analytics, you will receive a certification after clearing each stage.

The first stage of the certification programme in business analytics will start on 16 Oct 2019.

TOOLS USED

Business Analytics training.

The focus of our training is on business analysis within a project environment, initially supporting the assessment of change proposals, assisting the development of business cases, defining the scope and objectives of the project, defining the requirements for change and then supporting both the technical and business delivery of those changes. We focus on the business analyst's responsibilities as a change facilitator throughout the business change lifecycle regardless of whether the organisation is 'agile' or using traditional project approaches.

As well as providing business analysts with the key skills to effectively contribute to business change projects, our business analysis training courses coach delegates in a 'way of thinking' and analysing that delivers the right result first time with minimal cost and maximum benefit.

About MPCON

MPCON Ltd., is a professionally managed Technical Consultancy Organization Promoted by Apex Financial Institutions, PSU Banks and various State Govt. Corporations. Established in 1979, it is the premier consulting organization in Central India, and has consistently endeavored to provide quality consulting services and created a niche market for itself. EMINENT FACULTY

Dr. K. R. R. Gandhi
Adjunct Professor at MDI (M)

Dr. K. R. R. Gandhi is a renowned Mathematician and is a Resource person in Mathematics for Oxford University Press. His passion for Pure Mathematics started at an early age and his love for Number Theory has grown exponentially since then. He did immense contributions in the field of Number theory and has published several papers and monographs in quite a few international journals, and few patents on his name. Dr. Gandhi is always seen doing research in applications of Mathematics, especially in Data Science. When asked what he does in his spare time, he smiles and says "More Research"

He is a reviewer, referee and editorial member of several international journals. He has been conferred the best teacher award by JNTUK in 2012, and best researcher by RBI in 2013 and in 2014. Dr. Gandhi has vast administrative experience and held eminent positions at Govt. of Andhra Pradesh, such as member of State Planning Board; and Vice President, Voice of Big Data. Dr. Gandhi has been the life member of Calcutta Mathematical Society (CMS), Indian Mathematical Society (IMS), Ramanujan Mathematical Society (RMS), and member in SOMASS.
